

Getting Started

What is D&D? Dungeons and Dragons (or D&D) is a Tabletop Role Playing Game that can be played in many ways, shapes, and forms. If you are a veteran or a new player: Welcome! We have several ongoing campaigns, which are what we call a series of connected sessions, and we are always happy to accept new players and members to the club. You can sit in on a session or maybe you would like to join our writing workshop where we talk about interesting writing techniques to make your TTRPG games even more immersive and fun. We also have a monthly meet and greet(an M&M if you will) where you can mingle and talk to other members of the club outside of a game session setting.

In addition to D&D, we are open to starting any other TTRPGs or even board games! Contact the club to inquire more!

Helpful Links

If you are new to D&D and you want to get started, here are some helpful links that can help you get started:

The Basics of D&D
How to Build a Character
The Official D&D Website

Join a Campaign

To see a full list of all of our current running or soon to start campaigns check out our Discord server (listed in the contacts section), it is constantly updated and you can even post your own listing by sending a DM to the current secretary of the club, or by talking to someone at our meet and greets.
